Letter No. 4070 dated 28th Jan 1904. from the Comptroller to the Govt of H.H. the Maharaja of Mr. submitting certain proposals regarding the rank and pay of the Account Probationers

The Comptroller states that the Account Probationers Messrs Sathyaraj Chetty and Vishto Pant Badami, have passed the Higher Dept.l Examination prescribed for the Enrolled Officers of the Financial Depts in British India and therefore have qualified themselves for Confirmation from the date of passing ie 18th Nov 1903.

After traversing over the correspondence that took place between 1897 and 1900, he now proposes the following Scale, excluding the Comptroller and thinks that it is quite

necessary for the efficient discharge of the duties of the office —

Present Scale.		Proposed Scale	
1 Asst. Comptr.	Fixed 600 —	1 Dy Comptroller.	Fixed 60
1 Ch. Asstt	350 Annual 25 450 —	1 Asstt do — 1st class	400-25-
1 2d Asstt Comptr	300 biennial 50 400 —	1 do — 2d "	300 (A) 25-4
2 Acct. Probrs	150 each —	1 Sub Asstt Comptr 1st class	250-10-3
		1 do 2d "	200-10-2

(A) This will provide for increments annual instead of biennial. Also 18th class will be created.

If the above scale is approved, the Comptroller says that the designation of the Ch. Asstt will be changed into Asstt Comptroller 1st Class and Messrs Satyaraj Chetty and Nishto Pant Badami as Sub-Asstt Comptrollers 1st and 2d class respectively. As regards his proposal to appoint Mr Vaipuri Chetty as Asstt Comptroller, he states that he is supported by the rules in force in British India, a copy of which he annexes to the letter under notice.

Submitted to the Dewan Ch 9/3/04

The scheme for enlistment and the classification of Finance and Account Officers proposed by the Comptroller in 1897 has my approval. As regards the official designation of these officers, two pro-posals have been made, one in January 1897 and another in Comptroller's G.O. dated 16th July 1900. According to the first, the Comptroller's Office is to have one Deputy Comptroller, one Assistant Comptroller, and 4 Sub-Assistant Comptrollers. According to the second, one Assistant Com-troller, one Chief Assistant to the Comptroller and three Assistants to the Comptroller. In Comptroller's letter No. 147 dated 9th July 1903, Mr M.N.Krishna Rao has been recommended to be appointed as Assistant to the Comptroller but the Government have appointed him Assistant Comptroller.

The Officiating Comptroller now proposes 5 Officers on Rs. 200-10-250, Rs. 250-10-300, Rs. 300-25-400, Rs. 400-25-500, and Rs. 600 without assigning any reasons for the deviations made from the scale previously proposed. The three officers, Mr. M.N.Krishna Rao, Mr. Satyaraja Chetty, and Mr. Bishto Punt were appointed as Account Probation-ers at one and the same time. I believe they have all received the same training and passed the higher Departmental Examination, within the pres-cribed time. Mr. M.N.Krishna Rao passed at the first sitting and before the other two. He was therefore made to start on Rs. 300 on the special recommendation of the Comptroller. It is but just that the other two men should start at least on the minimum of Rs. 250. All the three may be designated Assistant Comptrollers of the 3rd Grade on Rs. 250 rising to

Rs. 400 by biennial increments of Rs. 50, Mr. Krishna Rao starting on Rs. 300 as an exceptional case.

The Grades will be thus as follows:--

1 1st Assistant Comptroller on Rs. 600.

1 2nd Assistant Comptroller on Rs. 500

3 3rd Assistant Comptrollers on Rs. 250-400.

This is also in accordance with the recommendation of the Dewan who is not in favour of too many designations.

cations No 5958 dis: 1197 of 23rd November 1897 and
No 6926 dis: 1427 of 14th December 1897 and who

nation on the 18th November 1903, will

Submitted to His Highness.

There are two questions connected with the Account Probationers, which have to be dealt with now The one relates to the fixing of the pay and prospect of the old Probationers Messrs. Sattyaraja Chetty and Bishtopant Badami, and the other to ~~that~~ those of the new Probationer Mr. B. Srinivasa Iyengar who was appointed on ₹100 in February last and of future Probatione

Shortly after Mr. Biddulph's examination of the State accounts, Messrs. M.N. Krishna Rao, Sattyaraja Chetty and Bishtopant Badami were entertained as Account Probationers, in November and December 1897 respectively, on a starting pay of ₹150 each and with the rank of Gazetted Officers. Permission having been obtained through the Residency to depute the Probationers to Madras for training in the Accountant General's Office there, Messrs. Sattyaraja Chetty and Bishtopant were first selected and they joined the Accountant General's Office early in 1901, but it was only at the fourth examination held in November 1903 that they secured a pass in the Higher Departmental Test. Mr. M.N. Krishna Rao, on the other hand, could not be sent for more than a year after the above two Probationers were sent, as his services were required in the Comptroller's Office. He, however, passed the prescribed examination at the first sitting and before the other two, and on the recommendation of the Comptroller was confirmed with the designation of Assistant Comptroller on ₹300 rising to ₹400 by biennial increments of ₹50 with effect from the 13th May

1903 being the date of the examination which he passed The cases of Messrs. Sattyaraja Chetty and Bishtopant h now to be disposed of, as they have also qualified themselves by passing the necessary examination may be confirmed on a pay of ₹s250 rising to ₹s400 by annual increments of ₹s25 from the 18th November 1903, when they passed the examination, and their designation changed to Assistant Comptrollers. In a small service, it is deemed inexpedient to subdivide nomenclatures by calling one a Deputy Comptroller and the others Assistant and Sub-Assistant Comptrollers; as proposed by the Offg: Comptroller in his letter of the 28th January last.

In the case of the newly appointed Probationer and of those who may be appointed hereafter, it is desirable to prescribe a definite scale, and remove any sense of uncertainty for the future. The new Probationers like Srinivasa Iyengar may start on ₹s100 per month, and including him, rise to ₹s150 after a year's probation and o ng the Lower Departmental Examination of British India ter a second year's probation, and on passing the high Departmental Examination, they may be confirmed with the designation of Assistant Comptrollers on ₹s200 rising by annual increments of ₹s20 to a maximum of ₹s400.

Sir,

I have the honor to report for the information of Gover ment that the Accountant General, Madras intimated in his le No.B0169/9917 dated 8th December '03, that the Mysore Accoun Probationers Messrs Sathyaraj Chetty and Bishto Bunth Badami have been declared by the Accountant General, Calcutta, to h passed the Higher Departmental Examination prescribed for en rolled office of the Financial Department in British India, in November last and have thereby qualified for confirmation their appointments from the date of the said Examination i.e 18th November 1903.

In the absence of Government orders on my letter No.C d 11th January 1897 I am unable to submit any definite proposa in regard to the rank and pay to be given to these officers.

B Sl no 2.

In para 4 of Government Pro: No.4510/F1349 dated 20th No- vember 1896 it is stated, in connexion with the appointment of Superintendents for the Comptroller's Office, that as one of th features of the scheme, their pay will be Rs.150 at first start with prospects of getting Rs.200 on passing the Higher Depart-. mental Examination and entrusting them with the duties of Super intendents with some suitable designation and with chances of earning increments somewhat similar to those allowed to Assist- ant Commissioners in Schedule B. But in subsequent Proceedings No.4747/RF57-92 of 15-12-1900 Government decided on the proposa

proposals made by me for the revision of my office Establishment consequent on the demise of Mr.Barrow the Chief Assistant, that in regard to Account Probationers their pay from 150 to 200 will be deferred till they pass the Higher Departmental Examination.

In my letter No.C quoted above I proposed to grade the Gazetted Officers of the Comptroller's Office including the P.W.D, with a progressive scale of pay for each grade. Such a scale was thought necessary so that these officers may look for promotion in their own Departments, they having no chance of advancement in the Revenue or other Departments of the State.

The number of Gazetted Officers in this office will now stand at 5 excluding the Comptroller, which number I find quite necessary for the efficient discharge of the duties of the office in strict accordance with Codal Rules. These 5 appointments might be graded as shown below with pay somewhat similar to that of Sub Divisional officers and Assistant Commissioners ScheduleB

Present Scale.	Pay	:	Proposed Scale.	Pay
.Assistant Comptroller	Fixed 600	:	1.Deputy Comptroller	Fixed

.Account Probationers @ 150/- each	300	:	1.Sub Assistant	1st " 250-10-3(
		:	1.----do----	2nd " 200-10-2(

6.

Should the scale proposed above meet with the approval of Government, the designation of the Chief Assistant will be changed to Assistant Comptroller 1st Class & Messrs Satyaraj Chetty and Bishto Bunth Badami appointed as Sub Assistant Comptroller's 1st and 2nd Class respectively, and Mr.Krishna Rao will continue as Assistant Comptroller 2nd Class. In suggesting the promotion of Mr.Viayapuri Chetty as Assistant Comptroller I am supported by the rules in force in British India, under which the appointments in the enrolled List of the Financial Departments other than those of the Comptroller-General and Accountants-General, which are reserved for officers of the I.C.S., are

filled up by Probationers who have passed the Higher Department Examination and by deserving Chief Superintendents, who are given higher appointments in the enrolled list than Probationer who pass the Higher Departmental Examination, vide para 2 of Government of India Resolution No.2157 dated 20th May 1881.
